OLDFIELD AGAIN SHATTERS RECORDS

"Speed King" Sweeps Victory From All Competitors at Daytona.

Daytona, Fla., March 24.—There is little question about it, Barney Oldfield is "speed king" of motordrome. Yesterday he broke three world's automobile records, two of which experts have figured will stand for years.

On Daytona beach, in his 200 horsepower Benz, with which a week ago he broke the world's mile record at a speed of 121.73 miles an hour, Oldfield covered two miles in 35.85, about three seconds better than the previous world's record made by Demogoot, of Paris, at Daytona in 1908.

Thirty minutes later Oldfield drove against the world's kilometer record of 17.76 seconds, made by Hemery at Brooklands, Eng. Oldfield finished the distance in 17.04.

The third record established by Oldfield, the one mile stock chassis mark of 40.35 was in a Knox car. The previous record was set by Lewis Strang in a Fiat, 46.30.

Although David Bruce Brown, Walter Christie, George Robertson Kirscher and many other drivers with fast cars participated, Oldfield swept all before him.

GLOBE TEAM TO PLAY COPPER HILL

Baseball Season Opens at Globe Sunday—League May Be Formed.

Globe, Ariz., March 24.—The local baseball season will be ushered in Sunday afternoon with a game between the Globe and Copper Hill teams. Both have been working out for several weeks and are now thoroughly organized, while the ball park has been put in condition for the opening game. Gossage, for Globe, and Wisnuck, for Copper Hill, will be the opposing pitchers, with Burke and Doran on the respective receiving ends. It is planned to give a parade before the game and both teams will march to the grounds headed by the Globe city band.

Following is the way the two teams will line up:

Globe—Gossage and Ragsdale, pitchers; Burke, catcher; Shute, first base; Miles, second; Sarver, short; Bigando, third; Griffin, left field; Keegan, center; and Pinyon, right field.
Copper Hill—Wisnuck, pitcher; Doran, catcher; Crosswhite, first; Dent, second; Reppert, short; Barker, third; Thomas, left field; Krumback, center; and Pruitt, right; Stewart and Dunlap on the bench.

The Globe team has elected Jack Sarver permanent captain of the team. After the first game it is planned to take immediate steps toward the formation of a league to be composed of Globe, Copper Hill, Miami and Sanford, a proposition that has been talked of for some time.

JACK JOHNSON OUT OF JAIL AGAIN

Court Raises Bond and the Negro Spends Five Hours in Prison.

New York, N. Y., March 24.—Jack Johnson, Jonah. That's it, Jonah Jack Johnson.

For five long hours the heavyweight champ loitered in a cell at the Tombs prison. The judge had raised his bail from \$1500 to \$5000, and Jack couldn't produce.

Then—just to heap injury on injury—a deputy thrust an official looking piece of sheet music through the bars of the negro's cell. It was a summons and complaint in a suit for \$1758.57 and costs for alleged repudiation of a theatrical contract to appear in Kansas.

Johnson sighed. It was fierce. Johnson's answer is in jail for an alleged assault and battery against Norman Pinder, a negro one-fourth his size. It appears that Pinder intimidated that Johnson, the great, mighty, wealthy Johnson, one time was very glad to stick his nose in a tub of suds.

Then the assault and battery proceedings began. This all happened in a New York saloon.

Fate had it that Pinder and his witnesses failed to appear today to press the suit. Judge Mulqueen became very angry. The court was being made a joke, he said. So the "judge" raised Johnson's bail. At last a friend made a property security bond, and Johnson was released.

GOVERNOR BREAKS WHIST: FIGHTS 15 ROUND DRAW.
Baltimore, Md., March 24.—Although Phil McGovern, of Brooklyn, broke his right hand in the first round last night with "Young" Britt, he continued fighting until the 15th round, when the match was declared a draw.

McGovern has canceled all contracts for the next month.
